Contact Us

OMP Research Associates provides research-based insight that informs and improves decision-making in schools, businesses, and other organizations.

Founded in 1994, OMP prides itself on delivering the highest quality customized research and consulting. Our goal is to fully understand and address our clients' needs and to exceed their expectations.

"The greatest compliment that was ever paid me was when someone asked me what I thought, and attended to my answer."
- Henry David Thoreau
